HOPE KEEPS US GOING

Dear Parents,

All of us now live in a quarantined world, in isolation, practicing social distancing, in order to help prevent further spread of the Covid-19 pandemic. We keep our **HOPES** alive with **FAITH** and **VISION**. We must remember that as long as there is life, there is hope- and that is what keeps us alive. The most important question to ponder in these times is what is it that we must hope for? We must hope that the Almighty- in whichever form or name you conceive him/her, shower blessings on us to have the courage and strength to cope with these current problems. A hope for strength, courage and resilience to face these renewed realities, and to renew our spiritual resources.

Hope is also an expectation for how we might face and recast our future. We must learn to gain confidence in ourselves, so that we can face the future with steadfastness. To expect from ourselves that we will make our lives as fulfilling as possible by serving others and by achieving all that we are capable of, for as long as possible. Worry and fear are unhealthy and destructive mental habits. Therefore, whatever we do, we must not overthink or panic, else we shall be overwhelmed by negative thoughts. Unimaginable and massive social changes call for a complete revamping of the teaching and learning processes. It is more important now than ever before to plan and prepare for future learning. Given the uncertain times that are upon us, students must be taught to embrace change and build resilience. This needs to be handled with the greatest sense of responsibility, forethought and wisdom.

I thank all the Parents and Teachers who have stood by us in these trying times. In this uncertain time, you have been our constant support.

Vijai Singh Yadav

GOD**

TAS UPDATES

OWING TO THE LOCKDOWN ALL THE ACTIVITIES WERE DONE ONLINE..

PARENT TEACHER MEETING

PTM was conducted to make the Parents aware about the school's online teaching-learning programmes. The meeting also assessed and discussed the overall academic performance of the students.

INTERNATIONAL YOGA DAY

Under the banner, "Yoga for Health – Yoga at Home" TAS celebrated Yoga Day Virtually wherein, Mr. Gaurav Tiwari, Special Instructor and Yoga Trainer was invited to teach few Asanas for mental calmness and physical well-being to Parents, Students and Teachers.

WORLD ENVIRONMENT DAY

This year we chose 'BIODIVERSITY' as our theme for World Environment Day on 5th June, 2020 "It's not yours not mine, it's Ours, so protect Mother Nature that nourishes you". This was the motto with which our young students planted trees and wrote slogans and poems.

- Online Teaching
- Lots of resources to explain topics
- Seeing their students online

WHAT STUDENTS LOVED DOING

- Online Learning
- Creating Videos for class
- Making Projects
- Public Speaking

OUR MOTTO THIS MONTH

“ If you will Believe, you will Achieve. ”

TAS THIS MONTH

SOAR ABOVE LIKE AN EAGLE

Dear Students and Teachers,

1. [The Central Board Of Secondary Education \(CBSE\)](#), this month has announced [AI \(ARTIFICIAL INTELLIGENCE\)](#) as a multi-disciplinary integrated pedagogical approach to further enhance teaching and learning across classes VI to XII. Making school students 'AI Aware' or Forging 'AI Readiness' among students is a huge task indeed. The Central Board of Secondary Education under the guidance of the Ministry of Human Resource Development has taken an initiative to introduce AI as an elective subject in classes IX, X, and XI.

2. **"Quality is never an accident. It is the result of thoughtful planning, proper execution, teamwork and commitment to excellence."** Keeping this in mind TAS resumed its online classes with well thought strategies and long-term planning. Online teaching learning programs have been designed not only to meet the challenges to maximize the academic prospect of each child but also to prepare students to analyze the issues of the world through the healing prism of compassion and acceptance. The Team TAS has a commitment to ensure that our students grow to their potential and treasure values like integrity and self-dependence.

3. Within a short span of time, The Avadh School has carved a special place for itself in the communities it serves and has emerged as one of the front ranking school in the region. **"The very spring and root of honesty and virtue lie in good education"**. In this epoch of expanding prospectus, it is vital to pass on an all-embracing education to children and equip them to brave the challenges of life. We are committed to collaborating with parents and guardians to effectively raising well rounded, responsible kids. Study hard to achieve your Goals.

Team TAS extends its best wishes to our Class X & XII students for their upcoming Board Results and future endeavours.

Our Admission process is now open for Classes Nursery to IX and XI.

STAY HOME, STAY SAFE
